June 12, 2017

Dear Sir or Madam:

I am writing to encourage your organization's participation in our annual Good Health Day events.

The Charles B. Wang Community Health Center (CBWCHC) is proud to announce its annual health fair, **Good Health Day (GHD)**, on two dates: **Saturday, August 5, 2017** from 10a.m.-3p.m. in the parking lot of our Flushing site and **Wednesday, August 9, 2017** from 10a.m.-3p.m. at Sara D. Roosevelt Park in Chinatown, between Chrystie and Forsyth Streets (park permit pending). We hope you and your organization can join us this year at one or both of our most exciting and educational community events!

The CBWCHC is a non-profit community based health care facility that has been providing affordable and quality primary and specialty health care to Asian Americans for over 30 years. The CBWCHC promotes the health of our community through continuous health education, outreach and advocacy programs.

The health center's GHD has been an annual tradition for more than 30 years. In previous years, more than 3,500 community residents participated in our Chinatown health fair and 2,000 visited our Flushing health fair. The purpose of GHD is to provide free screenings for cholesterol, diabetes, hypertension and other health problems that are prevalent in the Asian American community. In addition, GHD also offers health activity booths that address community health concerns, such as oral health, diabetes, cardiovascular health, pediatrics, and women's health issues. Children and families partake in fun activities at GHD, such as face painting, clowns, aerobics, music and cultural performances.

Please complete the enclosed registration form if you are interested in participating in this year's GHD. So that we may offset the costs of GHD, we kindly ask participating organizations to contribute a fee (\$40 from non-profit and \$100 from profit organizations per day) to support our expenses. *Your generous support is greatly appreciated.*

Please mail, fax or e-mail your completed registration form by Friday, July 7, 2017 to Vivian Tam, Good Health Day 2017 Coordinator, at Charles B. Wang Community Health Center, 268 Canal Street, 6th Floor, New York, NY 10013. Fax: 212-379-6936. ***This is a very popular event. Please note that participating organizations will be allotted space on a first-come, first-served basis.***

We appreciate your support, time and commitment to GHD 2017, and look forward to continuing our collaborative efforts in improving the health care needs of the Asian American community. Please do not hesitate to contact me via e-mail at vtam@cbwchc.org, or phone at (212) 379-6988 ext. 2619.

Thank you for your interest in the Charles B. Wang Community Health Center.

Sincerely,

Vivian Tam
